We have come to praise the Lord

Hans Christian Jochimsen

We have come to praise the Lord
We have come to sing His **Praises** (x2)
I don't know what you came to do
But I came to praise the Lord (x2)

Lift him up! He is more than worthy
Come on ev'rybody! Let us praise His name
Lift him up! He is more than worthy
Come on ev'rybody! Sing it one more time

We have come to praise the lord
Praise him! Praise him...

The Real Party

Mary Mary

Get your shout and your dance
Make some noise
Move your feet and your hands
While you got a chance
You oughta get up
And give God all you can

Oh, oh, oh, oh, oh, oh, oh
(Don't you know you) Got the victory
(I came to lift him) Higher

Love

Kirk Franklin

Patient love, kind love, sweet love, kind love 4x

Love a word that comes and goes
But few people really know
what it means to really love somebody
Love though the tears may fade away
I'm so glad your love will stay
'Cause I love you and you show me
Jesus what it really means to love

Patient love, kind love...

Love a word that...

The nights that I cried you loved me
When I should have died you loved me
I'll never know why you love me
It's a mystery to me now I'm glad to see Jesus
When all hope was gone you loved me
You gave me a song that you loved me
Now I can go on 'cause you love me
It's a mystery to me now I'm glad to see Jesus

What it really means 3x
To love...

Patient (patient) kind (kind), that's love
To love...

Never Alone

Tori Kelly

In my time I've traveled some roads
A rolling stone, nowhere feels like home
And I've seen people come, then they go
Life is just a story of some highs and some lows
Tell me do you believe in miracles?
I'm standing here before your eyes

I've cried many rivers
I've walked through some pain
I've seen my world crumble
And I'll carry the shame
But I know somebody, He calls me His own
I can hear heaven singing out
Oh-oh-oh, you're never alone 2x

Everybody wants to be king
We put all our hope inside material things
In Your light I now understand
That everything I have ain't everything that I am
Oh, but sometimes I feel like I'm not good enough
But that's when love says You're mine

I've cried many rivers...

Oh, I may have took some time, but now I realize
My imperfections were a part of Your plan
And if all things work together in the end
The broken will be beautiful

I've cried many rivers...

I surrender all

Arr. Kerry Smith

I surrender all, I surrender all
All to Thee my blessed Savior
I surrender all

All to Jesus I surrender
All to Him I freely give
I will ever love and trust Him
In His presence daily live

I surrender all, I surrender all
All to Thee my blessed Savior
I surrender all

All to Jesus I surrender
All to Him I freely give
I will ever love and trust Him
In His presence daily live

I surrender all, I surrender all
All to Thee my blessed Savior
I surrender all, I surrender all

All to Jesus I surrender, I surrender all...

Rain Down

The Fighting Temptation Soundtrack

There's a storm within and I don't want to let it end
I'll give you all control, let your love rain down on me
In my heart and mind is your love divine
I'm gonna let it flow and let your love rain down on me

Gonna raise my hands and dance
Gonna give him all I am
Everytime I call his name his love rains down on me
Gonna lift my voice and sing
Of the love and joy he brings
Everytime I praise his name his love rains down on me

When I was in distress I needed happiness (Come on)
So I got down on my knees and asked you to comfort me
I know that thunder brings the rain, so I called your Holy
name and you washed away my sins gave me new life again

Gonna raise my hands...

Love is raining down on me
Joy is deep inside of me
Praise; I'll lift my hands to Thee
'Cause your love, your love
Love is raining down on me
Joy is deep inside of me
Praise I'll lift my hands to thee
'Cause your love rains down on me

Gonna raise my hands...

Sing A New Song

BJ Putnam

I wanna sing a new song, shout it out louder than before
Let the whole earth sing, the whole earth sing
Yeah, oh oh oh

There is a place we can seek His face
Changed in His presence touched by His grace
There is a sound I hear it all around
Worship is rising and people crying out

I wanna sing a new song, shout it out louder than before
Let the whole earth sing, the whole earth sing
It's a song of praise, a song for all of the redeem
Let the whole earth sing, the whole earth sing

Never the same He's taken my chains
There's freedom in Jesus, power to save
There is a name like no other name
There's freedom in Jesus, shout out His name

I wanna sing a new song...

Hallelujah, Hallelujah, Hallelujah
Hallelujah, Hallelujah, Hallelujah

I wanna sing a new song...

Hallelujah...
